Co-ordinator position temporarily vacant

May 2019

Tue, 07 May
8:40am - 3:30pm

Location

(Stradbroke Flyer Gold Cat Ferry), Cnr Emmett Drive & Middle Street Cleveland & 15/17 Welsby St, Dunwich QLD 4183

Visit to North Stradbroke Island Historical Museum & lunch at Island Fruit Barn Café**Map Group Event**Details**Aim of tour/ visit:**

The museum has a range of permanent displays about the Quandamooka people, convict history, shipwrecks and maritime history, the story of sandmining on the Island, as well as lots of photos of the old fishing shacks, boats and buses that helped kick off the tourism industry on Straddie. As well as this they will provide us access to their small but interesting map collection. The visit includes morning tea.

Lunch:

Lunch at the pleasant Island Fruit Barn Café followed by a return water taxi to Cleveland. Members may choose to stay longer on Stradbroke Island and catch a later water taxi back to Cleveland. Water Taxis depart at 1:25pm, 2:25pm, 3:55pm, 4:55pm

Transport Note/Meeting Point:

Members to meet at the Stradbroke Flyer Gold Cat ferry, Corner of Middle Street and Emmett Drive, Cleveland, QLD 4163 at 8.40am. Ferry departs at 8:55am. Visitors to purchase own ferry tickets.

Transport

Stradbroke Flyer Gold Cat Ferry, Cnr Emmett Drive & Middle Street Cleveland, QLD 4163 departing 8:55am

Cost

June 2019

Mon, 03 June
10:00am - 12:00pm

Location

RGSQ, 28 Fortescue Street Spring Hill Brisbane

Keith Treschman (Map Group Member) Topic: Areography (The scientific study of the planet Mars' geographical features)**Map Group Presentation & Gathering**Details**Presenter Background:**

Keith Treschman is a Science Teacher and has taught Science in secondary schools for over 40 years. He has a passion for Astronomy and has written curriculum materials on this topic for teachers. His PhD is on "Astronomical Tests of General Relativity". He is responsible for the installation of an observatory at Brisbane Girls Grammar School - this is at its outdoor centre near Gympie. In this facility are 4 telescopes, 3 of which are operated by the students robotically from their computers.

Topic Overview:

Earth has latitude defined from the equator, longitude based on Greenwich and height referred to sea level. How is this done on Mars? What are the features on this planet?

Transport

Members to make own arrangements

Cost

\$2.00 towards the cost of tea and coffee

July 2019

Wed, 17 July
10:00am - 12:00pm

Neil Simson (Guest Speaker) Topic: Mapping and Town Planning**Map Group Presentation & Gathering**Details**Presenter Background:**

Neil Simson is a Town Planner. He started his career as a consulting Town Planner to the mid-1990s, before working as the Town Planner for Beaudesert Shire until the late 2000s, then moving onto a far larger local government area (population and urbanisation wise), in Logan City and worked there until 2017. Neil was the chief drafter of Beaudesert Shire's planning scheme (2007) and he was heavily involved in the drafting of Logan City's planning scheme (2015).

Topic Overview:

- History of Town Planning in Logan City
- Issues in Modern Mapping for Town Planners
- What Mapping Tools are Displayed to the Public

Transport

Members to make own arrangements

Cost

\$2.00 towards the cost of tea and coffee

Location

Level 6, Duhig
Tower The
University of
Queensland
Brisbane QLD 4072

Fryer Library Visit Event (including pre visit coffee and post visit lunch)**Map Group Event**Details**Aim of tour/ visit:**

The visit will give visitors an insight into the Fryer Memorial Library of Australian Literature which was founded in 1927 in honour of John Denis Fryer. It has a rich store of books, manuscripts, photographs, architectural drawings, oral histories and much more. This will be the second visit with the aim to see more historic maps of Queensland and Australia.

Pre Event Coffee:

Our group will meet at Merlo's Café, Duhig Building, UQ St Lucia Campus, Campbell Rd, St Lucia at 9:15-9:30am

Fryer Library Event:

Tour from 10:00 to 12:00pm

Post Event Lunch:

Approximately 12 noon at Wordsmiths Café Building 4, 2 Staff House Rd, St Lucia (dependent on completion of Fryer Library visit)

Transport

Members to make own arrangements

Cost

Fryer Library is free, coffee and lunch payment by member at venue

October 2019

Mon 14 - Fri 18 October
5 day event

Location

Toowoomba &
environs

Toowoomba Field Trip - 5 day Event [Mon - Fri]**Map Group Travel Event**Details**Aim of tour/ visit:**

To gain a better understanding of the mapping history of the Darling Downs and Toowoomba, one of the earliest settled areas in Queensland.

Possible Venues:

Negotiations are underway with a range of Venue Options including – Toowoomba Regional Council (local history and historic maps); Toowoomba Art Gallery (Bolton Reading Room); Airborne Insight (drone operating firm); Australian Rail Track Corporation (inland rail project); Nexus Infrastructure (second range crossing); Wagner's (Wellcamp Airport); Cobb & Co Museum (historic transport and possible lunch venue for one of 5 days).

Accommodation:

TBA - Co-ordinator is looking into cabins with own cooking facilities, as a cheaper option than eating out every night. A possible Cabin Park is within a 15 minute walk of Toowoomba CBD.

Transport

Members own transport (car pooling options possible)

Cost

TBA

November 2019

Tue, 05 November
10:00am - 12:00pm

**Dr Ray Kerkhove conducting a tour of Aboriginal
Camp Sites of Kedron Brook, Nundah - followed
by lunch****Map Group Event**Location

Kalinga Park, at the
car-park by Diggers
Drive, off Park
Avenue Kalinga -
near the main
(Anzac) gates

Details**Aim of Visit/Tour:**

To understand how and where aboriginal habitation occurred in a part of the Brisbane Region prior to European Settlement. Ray Kerkhove, a well-known researcher of Aboriginal Camp Sites and Pathways within the Brisbane Region prior to and after European settlement will undertake the Tour of Kedron Brook, Nundah.

Tour Requirements:

A bit of walking - along the pathways to Shaw Park - so good shoes, hat, water etc.

Extra Tour Element:

Ray can offer an additional Tour to German Station Park and the Nundah (German) Cemetery located there - to explain the attack that took place here and the camp on this site (the Cemetery is itself worth seeing being a remnant of the original German Station). This Offer is reliant upon numbers willing to register for it. It may extend the overall Tour by a bit.

Lunch:

Italian bistro Royal Hotel, 1259 Sandgate Road Nundah

Transport

Members to make
own arrangements

Cost

free, lunch at own
expense

December 2019

Mon, 02 December
10:00am - 12:00pm
